

Read Across America Library Program

Build a Jungle ~ 1st Grade & 2nd Grade

This year's Read Across America theme is Wild About Books. Children will be encouraged to "plant" a jungle by reading from different sections of the library. For each jungle you create, you are entered into a raffle drawing to win prizes. The contest will run from **March 2nd through March 27th**. Prizes will be awarded on March 30th. To enter, simply check out library books from **each SHS library section** below and record the information on this paper. (Call numbers are found on the spine of the book.) When your jungle is complete, bring this paper to the library. Each completed form is an entry and you can enter many times! New forms are in the library, and online. Any questions? Contact Mrs. Hertz or Mrs. Buono.
