A Note From Miss Dubowitch

Can it really be Spring Break already? Where has the time gone? This year has flown by and I cannot believe that we have less than 40 days left.

The month of April has been focused on preparing for the NJ Ask. We have been taking practice tests and reviewing all necessary skills in preparation for the test. Sometimes our

brains are sleepy and we forget simple things that we have previously learned, so the practice helps us to engage our memory. With all the practice, I am sure everyone is going to succeed! Don't forget, we start testing on May 3 (the day after we get back from Spring Break!)

I wish you and your family a wonderful Spring Break and Happy Easter and Pass-over. Also, don't forget to vote for the School Budget Election on Wednesday, April 27.
