Season Essay

I love all the seasons. Spring can be nice picking flowers. Fall can be nice with all the colored leaves. Winter can be good drinking hot coca with marshmallows. But my favorite season is summer.

I like to go to the beach in the summer. The beach is fun because you can build sand castles and swim in the ocean. My sand castles are very high and long. They are also very excellent. My dad helps me build them a lot.

Swimming is another fun thing I like to do in the summer. I like to swim in my pool. I like to sprinkle water everywhere (my dad). I also took swimming lessons. My mom and dad helped on flipping off my diving board.

I like to eat ice cream in the summer. I come in from a hot summer day and eat ice cream. I go to the Yogo Factory in the summer. They have delicious ice cream. My dad is taking me this weekend.

Summer is my season. I like to go to the beach. I like to go swimming in my pool. I also like to eat ice cream. What is your favorite season?
