

VOORHEES TOWNSHIP PUBLIC SCHOOLS

March 20, 2020

Voorhees Township School Community,

Beginning Monday March 23rd the Voorhees Township School District will follow the most recent recommendations and shift all nonessential staff and operations to a remote working schedule. Telephones will be forwarded to the employees' home number of choice and staff will be available between the hours of 8-4 p.m. Monday - Friday (except during their lunch/breaks).

Any parent/guardian who needs attention that requires to be met onsite will be accommodated by appointment when possible.

*Our Food service for our free/reduced meal students will report one day per week and provide meals for the week (a breakfast and lunch each day).

In addition, we will not be returning to our regular schedule of operations until at least after spring recess April 14th at the earliest. During spring recess, remote learning will be on hold for staff and students.

Thank you for your continued support. Please remember if you have a particular need, contact your child's school office or remote hotline numbers. For parents of children with special needs, please contact your child's case manager to communicate any concerns.
