Voorhees Township Public School District Superintendent Search Parent/Community Forum

**Wednesday, October 17, 2018
Time: 7:30 PM
Location: Voorhees Middle School**

The Board of Education invites the district Parents and Community members to attend a **Parent/Community Forum** to gather information to be used to set criteria for the background and experience necessary for the new superintendent of schools. Our search consultant, Jesse Adams Jr., New Jersey School Boards Association, will explain the search process and the timeline for the search. Discussion will center on the current and future challenges the new Superintendent will face in the district. Information gathered, together with input from other focus groups, will be used to shape a variety of candidate review documents and interview questions.

We hope you are able to attend – everyone is welcome.

The meeting will be approximately 45 minutes to 1 hour.
