

Voorhees Middle School

March 13, 2020

Parents and Guardians:

In consideration of recent events regarding the Coronavirus Disease 2019 (“COVID-19”), if the Voorhees Township Board of Education is directed to close our schools, we need to be able to continue to educate our students. The Voorhees Middle School Staff cares about the continuing education of your children and has created a remote learning plan in the event of a closure. Thank you for your understanding and cooperation.

Teacher: Mr. Morales

How I will communicate: I will communicate with Parents/Guardians through E-Mail.
(Morales@voorhees.k12.nj.us)

How I will assign work: **DELIVERING** information to the students each day.
Google Classroom (**Students will be able to access Lessons/Assignments/Information/Projects using Google Classroom**).

****My Email for teacher-student interaction will be for emergency purposes only.**

How I will collect assignments: As usual, students will submit all assignments using Google Classrooms.

Personal note: If students and parents are having a tough time finding my assignments and or turning them in... please do not stress.

Thank you for help in this matter

Mr. Alex A. Morales
M.Ed. School Leadership
B.A. Health and Exercise Science

PE/Health Teacher
Head Coach Boys Soccer
Supervisor -Spring Intramurals
Voorhees Middle School
