The Food Service Management Experts.

Nutri-Serve Food Management

We are proud to celebrate our 30TH YEAR in the business of serving healthy & delicious meals to 94 school districts in the South Jersey, Central Jersey & Eastern Pennsylvania Area.

Nutri-Serve Food Management is excited to team up with Voorhees School District for the 2016-2017 school year. Here are some of the highlights of what we do best....School Food Service!

The National School Breakfast and Lunch Programs are regulated by the United States Dept. of Agriculture (USDA). Participating school districts receive meal reimbursements and reduced price USDA donated foods, which help keep meal prices reasonable for families across the nation. School Lunch and Breakfast Programs must adhere to strict nutrition regulations.

GET A BREAKFAST BOOST! (IF OFFERED IN YOUR SCHOOL)

The National School Breakfast requires 4 Items: **Grain**, **Fruit**, **Milk**, **Grain/Protein**. Students may take an additional fruit if desired!

Under USDA's Offer vs. Serve policy, school breakfast programs are required to offer all components and students must select at least 3 items (with one being a fruit).

PRICES:

Regular Breakfast: \$1.75
Reduced Breakfast: \$0.30

Students must take at least 3 out of 4 components including a fruit.

THE MEAL DEAL!

USDA's School Lunch Regulations requires 5 lunch components: **Grain**, **Protein**, **Vegetable**, **Fruit** & **Milk**. Students may take an additional fruit and veggie for 7 total items if desired!

PRICES:

Regular Lunch: \$2.80
Reduced Lunch: \$0.40

Students must take at least 3 out of 5 components including a fruit or veggie.

Under USDA's Offer vs. Serve policy, school lunch programs are required to offer all components and students must select at least 3 items (with one being a fruit or vegetable).

If your child is free or reduced eligible for lunch, the same applies for breakfast!

We will be switching our cafeteria point of sale system to LunchTime software. All current student balances will be migrated to this new system. You will be able to create an account on www.schoolpaymentportal.com to view transactions, setup reminders and make payments. A link to the manual will can be found on the district homepage. A alert will be sent out when the new system is in place.

NUTRI-SERVE ENCOURAGES STUDENTS TO PURCHASE A COMPLETE MEAL

Look for the new December Menu On School Web. The menu is designed to clearly identify all daily complete meal options for students in a very eye-catching and grown-up menu structure.

The menu clearly explains USDA's reimbursable meal requirements and encourages students to get the best "bang for the buck" by opting for the balanced school meal vs. purchasing items ala carte.

Each school personalizes the menu with a school-spirited flair choosing their school colors and adding the school mascot!

We look forward to a fun & healthy year!

Wendy Stevens
