

## Nutri-Serve Food Management

We are proud to serve healthy & delicious meals in the South Jersey, Central Jersey & Eastern Pennsylvania Area.

Nutri-Serve Food Management is excited to team up with Voorhees School District for the 2019-2020 school year. Here are some of the highlights of what we do best....School Food Service!

The National School Breakfast and Lunch Programs are regulated by the United States Dept. of Agriculture (USDA). Participating school districts receive meal reimbursements and reduced price USDA donated foods, which help keep meal prices reasonable for families across the nation. School Lunch and Breakfast Programs must adhere to strict nutrition regulations.

### GET A BREAKFAST BOOST!

The National School Breakfast requires 4 Items: Grain, Fruit, Milk, Grain/Protein. Students may take an additional fruit if desired!

Under USDA's Offer vs. Serve policy, school breakfast programs are required to offer all components and students must select at least 3 items (with one being a fruit).

#### PRICES:

Regular Breakfast: \$ 1.80

Reduced Breakfast: \$0.30

Students must take at least 3 out of 4 components including a fruit.

### THE MEAL DEAL!

USDA's School Lunch Regulations requires 5 lunch components: Grain, Protein, Vegetable, Fruit & Milk.

#### PRICES:

Regular Lunch: \$2.95

Reduced Lunch: \$0.40

Students must take at least 3 out of 5 components including a fruit or veggie.

Students may take an additional fruit and veggie for 7 total items if desired!

Under USDA's Offer vs. Serve policy, school lunch programs are required to offer all components and students must select at least 3 items (with one being a fruit or vegetable).

If your child is free or reduced eligible for lunch, the same applies for breakfast!

For your convenience, online prepayments are possible using the site [www.schoolpaymentportal.com](http://www.schoolpaymentportal.com) with your child's student ID. Through this site, you will be able to transfer money to your child's account, track purchases, create reminders and set up automatic payments. If preferred, you may continue sending in either cash or check with your student and this payment can be applied to your child's account by any cashier.

### NUTRI-SERVE ENCOURAGES STUDENTS TO PURCHASE A COMPLETE MEAL

Nutri-Serve's new menu second page will be unveiled in districts this fall. The menu is designed to clearly identify all daily complete meal options for students in a very eye-catching and grown-up menu structure.

The menu clearly explains USDA's reimbursable meal requirements and encourages students to get the best "bang for the buck" by opting for the balanced school meal vs. purchasing items ala carte.

Each school personalizes the menu with a school-spirited flair choosing their school colors and adding the school mascot!

We look forward to a fun & healthy school year!

Wendy Stevens
