

Dear Voorhees Instrumental Music Parents:

We wanted to take a moment to thank you for a wonderful year of music- it was so great to play our concerts for you- the students did an amazing job! Your support and cooperation were amazing, and the students managed to learn and thrive in instrumental music this year. There are a few things that we would like to make clear to help you make a decision regarding your rented instrument:

-If you plan on **continuing** to use a rented instrument again next year, Eastern High School has a summer music camp opportunity. Directed by the High School music teacher John Stanz, "Viking Prep Band" is a great way to continue playing over the summer months (band instruments only). If you are interested, please email Mr. Stanz at [jstanz@eccrsd.us](mailto:jstanz@eccrsd.us), as space is somewhat limited now. You can continue to rent the instrument over the summer months without going to this camp, it is just an option for you if you would like. Your rental instrument will shift to a **month-to-month** bill.

-If you want to **return** your rental, you can simply have your child drop it off at school by Friday, June 9, at the lesson room. You can **re-rent in September** for next school year's music program, information will come out in the first few days of school.

We hope that this has been of assistance to you. If you have any other questions, please email your child's instrumental music teacher for any questions or inquiries. Thank you for your support and have a well-deserved, great summer.

Sincerely,

The Voorhees Music Department
