

# Communities Project

By: Lauren Borie

Urban	Suburban	Rural
<p><b>Definition:</b> An urban community is a city and has its many neighborhoods; San Francisco, California is an example of an urban.</p> <p><b>Fact #1</b> An urban community does not have a lot of room.</p> <p><b>Fact #2</b> It is very busy in an urban community</p> 	<p><b>Definition:</b> A suburban is a community near a city. A suburban community is smaller than a city. Voorhees, New Jersey is an example of a suburban.</p> <p><b>Fact #1</b> There is not a lot of people in a suburban community.</p> <p><b>Fact #2</b> There is a good amount of space in a suburban community.</p> 	<p><b>Definition:</b> A rural community is a place of farms or open country, Beatrice, Nebraska is an example of a rural.</p> <p><b>Fact #1</b> Not a lot of people live in a rural community.</p> <p><b>Fact #2</b> There is a lot of open space in a rural community.</p> 

Where do you want to live when you grow up? I want to live in a suburban. I want live in a suburban because it is pretty quiet, and it is not too packed. I don't want to live in an urban/city because it is loud and very packed, and I don't want to live in a rural/farm land because there are not a lot of people and there is too much land for me. I also do not want to live in an urban or a rural area because those areas do not interest me. The suburban is the type of community I want to live in.
