

Communities Project

By Kayla Spalter

Urban	Suburban	Rural
<p>Definition:A community that has lots of neborhoods.</p> <p>Fact #1An urban community has a lot of people.</p> <p>Fact #2when you see a urban community you will see stores and aparintmits.</p> 	<p>Definition:people that live in a suburban community some times drive to the city.</p> <p>Fact #1A suburban community is similar to the city.</p> <p>Fact #2a suburban community has land and naborhoods.</p> 	<p>Definition:a rural community has many farms.</p> <p>Fact #1A rural community has a lot of land.</p> <p>Fact #2their are some fairs in a suburban community.</p> 

When I get older I would probably want to live in a urban community because I'll might meet new people and see new things. Another reason I would like to live in a urban community is so that I could walk from place to place. I think that living in a urban community would be a great place for me!
