

Communities Project

By: Sydney Steiner

Urban	Suburban	Rural
<p>Definition: An urban community is a city.</p> <p>Fact #1 Many tall skyscrapers fill the city sky.</p> <p>Fact #2 Urban community have lots of people that live in them.</p> 	<p>Definition: A suburban community is a place near a city.</p> <p>Fact #1 Voorhees is a suburban community.</p> <p>Fact #2 Some of the people who work in Philadelphia live in Voorhees.</p> 	<p>Definition: A rural community is a place where there is a lot of open space.</p> <p>Fact #1 Not so many people live in a rural community.</p> <p>Fact #2 There is a lot of farming in a rural community.</p> 

When I grow up I want to live in an urban community. I would live there because it has many good jobs you can get, and many stores to shop from. You could be on broad way too. Urban communities are really fascinating.
