

I'm the sub?  
By: Ally Kuklis

It was a boring normal day, we were learning fractions and all of the sudden they called for Ms. Francolino. I wondered so much what was going to happen. She walks in with nothing but tears running down her face. It stayed quite in till Ms. Stallings walked in the room.

"Ally could you come here?"

Said Ms. Stallings

"Me?"

I said looking around the room and pointing at my self. My face was burning red as I walked in to the hallway with thoughts in my head. ( Did I do something wrong, am I in trouble.)

" Ally I would like you to be the sub today in till 2:30 when Ms. Francolino will return."

Said Ms. Stallings. I was shocked. How was this going to go? Would they believe me? Oh! The thoughts running through my head. When I walked in to the classroom. I decided they would never believe me so I ran to the bathroom. Then I came out as Ms. Qute. With a q. I walked in and everyone grew quite. I explained that Ms. Francolino should be back around 230.

Meanwhile, I got started on fractions. I knew where everything was so I did not need much help. When it was time for Library the kids started to

wonder where Ally was. I said

"I am shore she will be back in a little. "

Ms. Holiday was looking at me in a strange way when I dropped them off. I figured it was the size. During this time I had to find someone to play the Ally me. When I picked them we did all are normal activities. I have to say the most embarrassing part was when talked about maps. When I went to the map I reached it and I fell on my butt. One of the kids asked me what my degree was in collage because I was not the best teacher. I said enough for me to be here.

It was finally time for Lunch I was ok if we were late because I had my own lunch and it lasted until recess. The other teachers gave me lesson plans and supplies. I just did the Ms. Francolino way. I mean I just did my favorite lessons. I told them it was a review day. After all of are working hard in math, science, and reading Ms. Francolino was finally there. She asked were Ally was. I said

" She is in the bathroom."

Everyone rolled there eyes because that is what I said all day. I ran to the bathroom and came out as Ally.

Few, this day is over and accomplished. It took a lot to be Ms. Qute and Ally. I think I will ask Ms. Francolino what to do next time. What would you do if your teacher asked you to be the sub for a day?
