Opinion/Recommendation

My opinion is that the book charlotte web was fantastic. It was so dramatic the way Wilbur was crying that they where going to kill him. And the way he fainted at the fair .And the way everybody was crying when they saw the ribbon on uncle pen . And the way they gave 25 dollars to Mr. Zuckerman .And how they gave Wilbur a bronzes metal. The book was so interesting I was so insured it read this fantastic book called Charlottes Web.
