Parents and Guardians:

In consideration of recent events regarding the Coronavirus Disease 2019 ("COVID-19"), if the Voorhees Township Board of Education is directed to close our schools, we need to be able to continue to educate our students. The E.T. Hamilton Staff cares about the continuing education of your children and has created a remote learning plan in the event of a closure. Thank you for your understanding and cooperation.

Teacher: Ms. Magazzu

How I will communicate: I will communicate with parents through Groupwise E-Mail.
