SUPER POWERS

Fluorina has 8 super powers. She has a bow and arrows that have fire at the tip of them. She has poison armor. My super hero has poison armor so that when you touch it you get knocked out for 5 hours. The hair of my super hero is very bright even if my super hero is outside and it's pitch black my super hero will still see fine. My super hero is very fast. My super hero has a shield that protects her from water (so my shield is water proof). I have a sword that ONLY attacks metal. I have poisonous bottles that knock you out for 7 hours. My super hero can destroy your eye visions in
