

November 2018

Dear Hamilton Staff, Students & Parents:

The Helping Hands committee is holding a Thanksgiving food collection again this Fall. Our goal is to assemble 15 food baskets for families at the Building Bridges Family Success Center in Lindenwold.

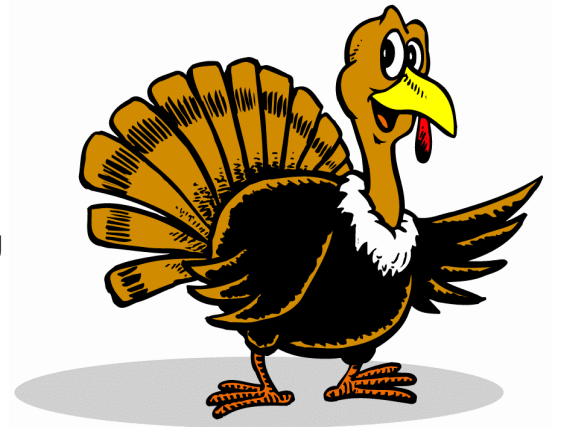

We are collecting specific food items from each classroom beginning Monday, November 12th and ending on Friday, November 16th. On the evening of the Monday, November 19th we will hold our “packaging night” at 6:00 p.m., during which time Hamilton families can help assemble the baskets.

A list of food assignments per grade appears below.

The Helping Hands committee is also in need of 15 frozen turkeys for the families. If you have a turkey that you would like to donate, please drop it off at your convenience at the ET Hamilton cafeteria to the cafeteria staff.

We would greatly appreciate your help in encouraging the children to contribute to this worthy program. If you have any questions about the food drive or the Helping Hands program, please feel free to contact me at: dana.galiano@yahoo.com

Thanks so much for your help,
Dana Galiano
Helping Hands Food Drive Chair

Kindergarten - coffee, tea and hot chocolate, roasting pans

1st Grade - instant potatoes, rice, canned yams, gravy

2nd Grade - canned vegetables, canned fruit, broth and soup

3rd Grade - Jello, pudding and stuffing

4th Grade - cake mix, frosting, biscuit mix and brownie mix

5th Grade - cereal, pancake/waffle mix, syrup and oil

CER Students & Car Riders – oil, sugar, flour (We are requesting these items from CER & car riders because they are heavier items and difficult to take on the bus. These items can be sent in instead of the regular grade level items)

***If you would like to make a monetary donation, checks can be made out to “HPFA-Helping Hands”.
All monies raised will be used for additional food items and grocery gift cards.***

Thank you!
