

E.T. HAMILTON 12th Annual STEM FAIR

in Science, Technology, Engineering & Math

Sponsored by North American Spine & Pain Consultants

Thursday, March 14, 2019 6:30-8:00 PM

Participants must be in grades 3, 4 & 5

All students, parents, family and friends are invited to attend

ENTRY FORM Due by Friday, February 15th, 2019

Please return to your child's classroom teacher

Student: _____ Teacher: _____ Grade: _____

If students are participating in the same project together, each student must fill out their own form to ensure parent's permission and then STAPLE the forms together to be submitted as one group. Please list partners below:

Partner (if any): _____ Teacher: _____ Grade: _____

Partner (if any): _____ Teacher: _____ Grade: _____

- A project will be allotted 3 feet of table space. (Two projects will share a table).
- No live or dead animals.
- No fire (matches) should be part of the project. Volcanoes are approved with supervision.
- No electrical outlets will be available for the project.
- **Students must be accompanied by an adult.**
- Students must remain with their projects during the STEM Fair.
- If the project has anything that might cause a mess to the flooring, you must bring plastic tablecloths to cover the floor around their project. They will be required to clean up their own mess.
- No "food samples" may be passed out.

A BRIEF DESCRIPTION OF PROJECT MUST BE INCLUDED (no TBA, TBD etc):
