Dear Voorhees Community,

Due to the uncertainty of the impending weather forecast for tomorrow, Monday, January 3, 2022, the Voorhees Township School District will be closed for all students and staff.

Additionally, due to the alarming increase of COVID cases amongst our students, staff, food services, and transportation personnel, the Voorhees Township Public Schools will transition to all remote instruction **from Tuesday, January 4, 2022, to Friday, January 7, 2022.**

Unfortunately, conditions continue to deteriorate throughout the evening, and our ability to safely open our schools is becoming increasingly more compromised. I understand that this is not what we hoped for in September. I hope this is temporary, and we will resume in-person instruction **on Monday, January 10, 2022.**

Unless positive or waiting on testing results, all staff will report to their building and instruct from their classrooms. Students will follow their regular bell schedule and receive a full day of instruction.

Do not hesitate to get in touch with your child's teacher or building principal should you have any specific questions regarding remote instruction. I ask for your patience and understanding as we navigate these unfortunate conditions.

Respectfully,

Michael Redfearn  
Acting Superintendent
