Staff Spotlight

Ms. Morgan - Kresson School

Ms. Morgan wears many, many hats within the Voorhees Township School District. She is the Technology Specialist at Kresson School, supervises the car pick-up line, works with the Kresson School Safeties, assists with live streaming of our Board Meetings, and oversees the CER School Age Care Program for the 2021-2022 school year.

Ms. Morgan continuously goes above and beyond the call to ensure that all students and staff have access to technology. During COVID she could routinely be found sitting in school parking lots attempting to troubleshoot technology issues and concerns. Thank you, Ms. Morgan, for your dedication to the Voorhees Community.

Mrs. Johnson - VMS

Mrs. Johnson's reading classes on the 6th grade Red Team are reading The Bridge Home by Padma Venkatraman. Some of the novel's themes are hope, survival, and homelessness. On Thursday, a group of students and the VMS Interact Club stayed after school with Mrs. Johnson to make over 150 peanut butter and jelly sandwiches. They then put the sandwiches in decorated bags with some treats. The students also made cookie bags and candy bags to be distributed with the sandwiches. All donations were delivered to the Unforgotten Heaven Organization in Blackwood, NJ.
