

7. When I Believe

One Page Lyrics

When I believe in me I can do anything I try.
I could climb a rocky mountain
and see the clear blue sky.
I could bike across the country,
I could sail across the sea.
I can do anything that I try
when I believe in me.

Chorus:

*When I believe, (when I believe),
When I believe, (when I believe),
I can do anything I try.
When I believe, (when I believe),
When I believe, (when I believe),
I can do anything I try.*

I could be a writer, I could write a book or play.
I could be an athlete, growing stronger day by day.
I could help to feed the hungry,
I could help all those in need.
I can do anything that I try
when I believe in me.

Chorus:
